

## **Paragraph Format For Concert Reviews**

**First paragraph (general info):** who played, a description of the group or performer, how they were dressed, what type of music they played, where the concert was and when.

**Second paragraph:** list some of the pieces and composers and describe what the music was like for each (refer to concepts such as dynamics, tempo, contrast, repetition, style, mood, balance, melody, rhythm, etc.

**Third paragraph (your opinions):** What was your favorite part of the concert? What did you not like if anything? Did they perform well? Were there any solos and what did you notice about how they were performed? Did you enjoy the concert? Include any other thoughts that you may have.
