Treasurer's Report

Carolyn Doherty provided the treasurer's report. Information reported at the officers's meeting earlier in the month was shared. As of end of July, Band Boosters main account balance is \$20,209.58, golden account balance is \$22,946.83, and investment account balance is \$895.08. Band camp deposit: \$18,295.87. In August, around \$5,000 was paid out in expenses.

Student Representatives' Report

Scaffolding is down from the storm. No other updates at this time.

Directors' Reports

Mr. Rohlfs provided a director's report. Scaffolding is down from the storm on Sunday evening. No change in the competition schedule from what had been announced previously. As of this time, no band performances at football games, but may be considered later by District 145 administration. The District is paying for bell covers and individual music stands for all students. Stands are being ordered for middle school students too.

General Discussion

Fund Raising Events: Consider golf event at Woodland Hills Golf Course; dates available are 10/10, 10/11, or 10/17. Would need to identify sponsors and prizes. Frisbee golf tournament arrangements in the works, proposed for Sun, 10/11. Entry fee of \$10-15/person. Likely to attract different demographic than a regular golf tournament. Look into having food trucks at park too. Need sponsors and prizes or could consider percentage payout. Possible to pursue both events, would likely be of interest to different groups. Also, Boosters need to explore and/or plan on multiple fundraisers in case Soup Supper is not able to move forward.

Masks, Apparel, and Webstore: A motion was made by Theresa Delayhoyde (second by Shana Gerdes) to purchase 250 masks (1 for each band student, sell rest as fundraiser @ \$5/mask). Motion carried. Tami Prang will seek permission for this fundraiser. The masks are black with a filter pocket and will be branded. Webstore for apparel is ready; will include show shirts and some embroidered branded items. Kelli Rohlfs will send link to be shared soon. Second round of apparel orders from Band Camp is still being processed.

Band Camp Photos: A large photo of seniors was ordered for the band room and a senior banner. Older pictures of seniors are likely in a tube in the band or colorguard rooms.

Senior Night: There was a discussion about how Senior Night will be handled if the band is not playing at football games. It was suggested that we consider a separate event, perhaps similar to Band Expo with food trucks where band would play under lights of stadium on an evening where there is not a home football game. Trackside is another potential partner/sponsor of such an event. It is not known if ticket sales would be limited.

Food at Competitions: Students will need to bring sack lunches for Apple Jack Festival. We are not allowed to provide food at this time. Need to plan for students who forget or are not able. Once get more guidance, can do more planning for other events.

Upcoming Meetings

Regular Band Boosters meetings are held on the third Monday of the month and are planned for virtual meetings this fall.
